

SA PHONE MEETINGS!!!

Unable to attend your regular face to face meeting?

Can't leave your house because of sickness,
bad weather, car won't start?

Difficult to get to a meeting when you're traveling?

NOW YOU CAN MAKE A MEETING EVERY DAY!!!

Attend a live SA teleconference meeting with others around the world who are seeking sobriety. If the line is silent when you call, you may need to wait a few minutes until others call. Be courteous; mute your phone if there is background noise at your location. Follow the normal guidelines of a regular face-to-face meeting.

Phone meetings are not intended to replace face-to-face meetings. Please attend local meetings, get a sponsor, and work the steps! To find a face-to-face meeting visit www.sa.org.

Some meetings are mixed gender and others are men only, as specified. For women-only meetings, please refer to "Women In SA (WISA)" ~ *Uniting Women for Fellowship*. Recovery and helping women ease into a dominantly male fellowship. Includes weekly phone meetings, email lists, and Internet meetings. Women are screened before entering meetings. Visit www.womeninsa.org for more info.
